RE: Access Services Community Advisory Committee

Access Services (Access) is currently in the process of restructuring our Community Advisory Committee (CAC). Access established the CAC in 1995 as an advisory body intended to represent the voice of the disability community. The CAC has greatly assisted Access throughout the years with respect to developing the Access paratransit program to best meet the needs of the disability community in Los Angeles County.

As part of this restructuring, Access and our Board of Directors is seeking to ensure that the CAC represents our customers by ensuring that each of our six service regions are equally represented and also that the broad spectrum of disabilities have a voice on the CAC.

Access and our Board of Directors intend to select the committee members for the newly formed CAC by year's end and are actively looking for new applicants that best reflect the current landscape of persons with disabilities in Los Angeles County. If you are interested in serving on the CAC please complete the enclosed application and follow the mailing instructions provided in the application.

The application will assist you in determining if you qualify to serve, applicants should be either a registered Access customer or someone who works or volunteers with organizations that serve persons with disabilities in Los Angeles County.

In order for applications to be considered for this initial review they must be submitted no later than December 9, 2011.

If you have any questions, please contact our Customer Service Center at 1-800-827-0829.

Sincerely,
